The 7’ wide Trail Hand by Bison Coach offers the look and feel of a coach costing much more, but with a price to fit your budget!

Featuring hardwood cabinet doors and rich upholstered seating, LED interior/exterior lighting, rustic look plank flooring and plush carpet, queen size mattress, indoor/outdoor stereo system, the Trail Hand offers a relaxing retreat after a long day of riding. Your horse will be comfortable as well. The well ventilated horse area has positive slam latched horse gates that feature comfortable padding on each gate for your precious cargo.

The Exterior of the Trail Hand features rugged aluminum sheeting over a tough steel constructed coach. Stylish graphics highlight the exterior while a heavy duty gooseneck coupler with convenient hitch light allows for easy hookup.
The top selling Ranger by Bison Coach features the superior strength of a steel frame. Ranger offers the features and options you expect in a luxury coach in a value package!

Features include, slide out room with topper awning, hardwood cabinet doors in your choice of 2 colors, 4 exterior colors, exterior upgrades, hydraulic jacks, swing out saddle racks, LED interior/exterior lighting, rustic look plank flooring and plush carpet, queen size mattress, indoor/outdoor stereo system and much more. The Ranger and its many floorplans and options is the most customizable trailer Bison Coach offers which allows you to build the trailer that fits your exact needs! Ranger makes a great home-away-from-home while on the road.

Natural Hickory Finish  Cognac Glazed Finish
The 7’ wide Trail Boss by Bison Coach offers the same features of the Trail Hand but with the added value of an all-aluminum construction. Still the look and feel of a coach costing much more, but with a price to fit your budget!

Featuring hardwood cabinet doors and rich upholstered seating, LED interior/exterior lighting, rustic look plank flooring and plush carpet, queen size mattress, indoor/outdoor stereo system, the TRAIL BOSS offers a relaxing retreat after a long day of riding. Your horse will be comfortable as well. The well ventilated horse area has positive slam latched horse gates that feature comfortable padding on each gate for your precious cargo.

The Exterior of the Trail Boss features lightweight all-aluminum construction offering excellent towability. Stylish graphics highlight the exterior while a heavy duty gooseneck coupler with convenient hitch light allows for easy hookup.
